

—Academy for— LEADERSHIP EXCELLENCE

DEVELOPING EMERGING LEADERS

LET US HELP PREPARE YOUR EMERGING TALENT FOR THE FUTURE

ARE YOU...

- Anticipating future leadership opportunity or preparing others for success?
- Committed to developing high performing talent?
- Desiring to increase your own achievement and contribution?

Developing Emerging Leaders

supports your role in recognizing and preparing potential Performers for the future. We can help you develop those contributors on your team or in your department who are ready to be groomed for even greater leadership.

REGISTER NOW FOR OUR NEXT PROGRAM

This intensive development program includes three 2-day classroom sessions using integrated learning, application and practice in a collaborative environment. Between sessions, our self-paced performance achievement Digital Badge platform utilizing a gaming framework will help drive learner engagement and leadership application.

SESSION 1: FEB. 23 - 24, 2016

SESSION 2: MAY 17 - 18, 2016

SESSION 3: AUG. 2 - 3, 2016

LOCATION: Live sessions will take place in the metro Atlanta area

PREPARING TOMORROW'S LEADERS

Our integrated and engaging leadership curriculum prepares emerging leaders for future challenges by building:

Leadership Self-Awareness and Interpersonal Skills

Identifying preferred work patterns for success and more effectively working with others

Emotional Intelligence

Knowing and managing yourself, understanding others and positioning your team for success

Leveraging One's Strengths

Understanding and leading through others

Networking for Emerging Leaders

Valuing and building a high-performance network and developmental opportunities

Coaching and Providing Feedback

Facilitating high-quality relationships and guidance for personal development

Presentation and Facilitation Skills

Building skills for successfully presenting and facilitating meetings

accelerated
leadership GROUP

Center for
Leadership
and Service

The Academy for Leadership Excellence is a partnership between the University of Georgia Student Affairs Department and Accelerated Leadership Group designed to provide integrated leadership learning and development for business and organizational leaders, as well as the UGA student population.
